
HOUSE BILL 2364

State of Washington 60th Legislature 2007 Regular Session

By Representative B. Sullivan

Read first time 02/27/2007. Referred to Committee on Local Government.

1 AN ACT Relating to the transportation of sand and gravel in
2 counties with a population of less than thirty-five thousand; amending
3 RCW 36.70A.200; and creating a new section.

4 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

5 NEW SECTION. **Sec. 1.** (1) The legislature finds that the cost of
6 transporting high quality sand and gravel by truck for major public and
7 private construction projects, including state and local highway
8 projects, beach restoration, and construction of public and private
9 buildings, is increasing dramatically as the result of increased fuel
10 prices.

11 (2) The legislature finds that marine transportation of sand and
12 gravel would not only be more cost-effective than trucking such
13 materials, it also significantly reduces the volume of heavy truck
14 traffic on highways and roads that are already congested.

15 (3) The legislature finds that marine transportation of sand and
16 gravel also provides a more reliable and cost-effective source of
17 material for beach restoration and enhancement in the Puget Sound.

1 **Sec. 2.** RCW 36.70A.200 and 2002 c 68 s 2 are each amended to read

33 preclude the siting of essential public facilities.

34 (6) No person may bring a cause of action for civil damages based

6 (8) The failure of a county or city to act by the deadlines
7 established in subsections (2) and (3) of this section is not:

8 (a) A condition that would disqualify the county or city for
9 grants, loans, or pledges under RCW 43.155.070 or 70.146.070;

10 (b) A consideration for grants or loans provided under RCW
